

# International Conference for Sustainable Design of the Built Environment (SDBE 2018) Research in Practice

12<sup>th</sup> – 13<sup>th</sup> September 2018, The Crystal, London, UK

## Call for Papers

We are pleased to announce the open call for papers to the Second International Conference for Sustainable Design of the Built Environment: Research in Practice (SDBE 2018) organised at the Crystal, London, UK on 12<sup>th</sup>-13<sup>th</sup> September 2018. The conference focuses on Research in Practice in sustainable design and planning, building energy performance, education for sustainability with an emphasis on a balanced approach to environmental, and socio-economic sustainability in research and practice.

SDBE conference is a unique opportunity for researchers, academics, architects, urban designers, engineers, building consultants and professionals to share the latest knowledge, research and innovations in sustainable building design, building performance, simulation tools and low carbon building related technologies. The conference includes prominent keynote speakers from academia and practice to maximize opportunities for knowledge exchange.

## Keynote Speakers

- Philip Jones, Professor, Welsh School of Architecture, Cardiff University
- Ashraf Salama, Professor, Head of Department of Architecture, University of Strathclyde
- Patrik Schumacher, Director, Zaha Hadid Architects

## Conference Themes

- Low to zero carbon design strategies
- Sustainable construction and technology
- Building Performance Evaluation (BPE)
- Indoor Environmental Quality (IEQ), health and wellbeing
- Sustainable urban design
- Education for sustainability
- Energy efficiency in buildings
- Renewable energy and green technologies
- Building Information Modelling (BIM)
- Building performance simulation
- Bioclimatic and passive design
- Resource Efficiency

## Key Dates

Abstract submission	<b>5 March 2018</b>
Abstract acceptance notification with comments	<b>19 March 2018</b>
Full paper submission	<b>1 June 2018</b>
Full paper acceptance notification with comments	<b>2 July 2018</b>
Deadline for full paper submission	<b>3 August 2018</b>
Free conference registration for accepted papers [funded by the British Council]	<b>10 August 2018</b>
